Example Documentation

This file demonstrates GitHub-flavoured Markdown rendering with tables, task lists, code blocks, and Mermaid diagrams.

Architecture

Deployment sequence

Markdown features

- ✓ Tables
- ✓ Task lists
- ✓ Syntax highlighting
- ✓ Mermaid diagrams

Feature	Status	Notes
Mermaid	Supported	Fenced <code>mermaid</code> blocks become diagrams
Code	Supported	Uses Highlight.js GitHub theme
PDF	Supported	Printed through Chromium

```
from pathlib import Path

def docs_changed(path: Path) -> bool:
    return path.suffix == ".md"
```

The styling intentionally follows GitHub Markdown conventions rather than a bespoke report design.
